PTHC Dating and Sex-Related Workshops, # per Year

- General
- Specifically For Trans Men
- Specifically For Trans Women
- - - Specifically For Cis People

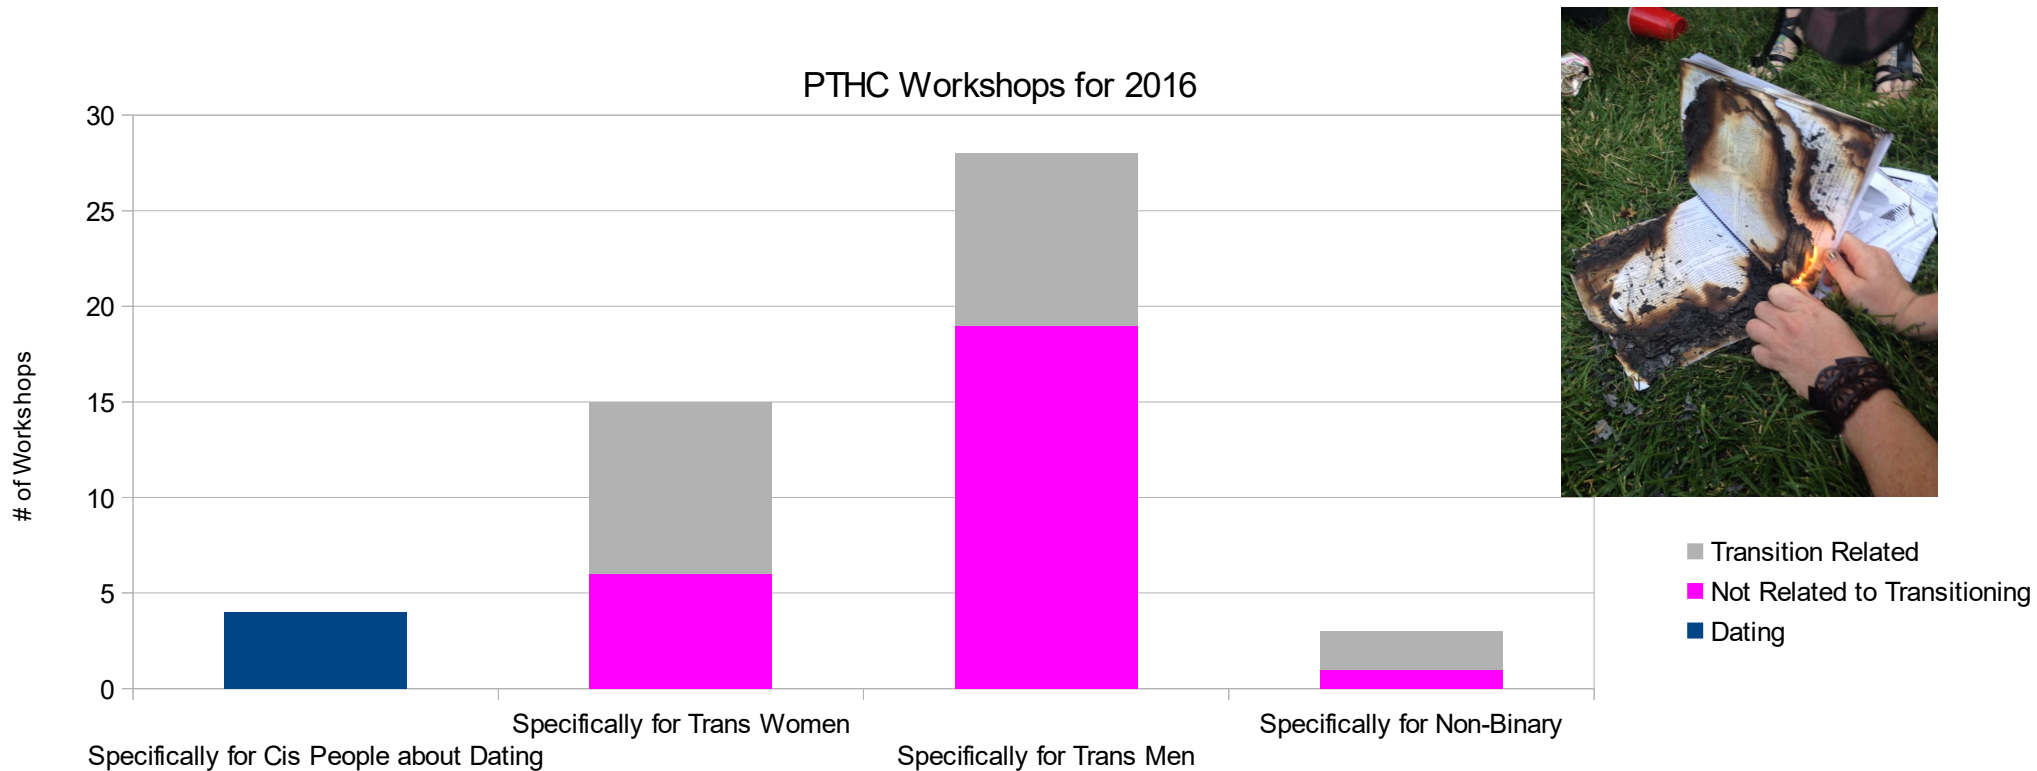

For every year except 2012, there have been more sex and dating related workshops specifically focused on cis people than for trans women. Although there has been a similar number of workshops for trans men and trans women over the years, this changed abruptly after 2013. Additionally, while these workshops for trans men focus on a variety of topics such as dating, MSM communities, pregnancy, creative masturbation, safer-sex tips, etc., for trans women these workshops are almost entirely on how to disclose their trans status while dating.

#7/10

Workshop data taken from a combination of paper schedules and on-line schedules utilizing the Internet Archive's Way Back Machine. Keynotes and non-workshop events were not included. Data for 2016 were taken from the on-line schedule on 4/22/15.

The Gender of PTHC

A Statistical Analysis of Why Trans Women Are Frustrated with PTHC's Programming

The number of workshops specifically for trans men at this year's PTHC far exceeds those for trans women. This year there are nearly as many workshops for cis people about dating as there are total non-transition workshops for trans women.

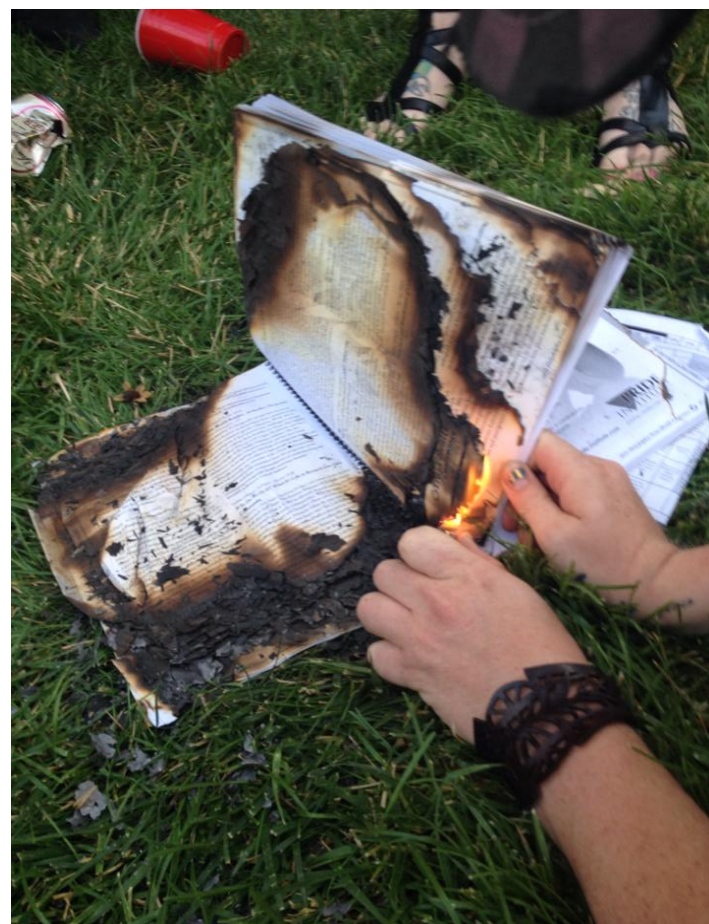

#8/10

Workshop data taken from a combination of paper schedules and on-line schedules utilizing the Internet Archive's Way Back Machine. Keynotes and non-workshop events were not included. Data for 2016 were taken from the on-line schedule on 4/22/15.

The Gender of PTHC

A Statistical Analysis of Why Trans Women Are Frustrated
with PTHC's Programming

Frustration over 2014's PTHC programming, which simultaneously had the lowest number of workshops specifically for trans women that weren't related to hormones or surgery since 2008 and one of the highest number of similar workshops specifically for trans men in PTHC's history, led to a number of trans women setting the conference schedule on fire in protest.

#9/10

Workshop data taken from a combination of paper schedules and on-line schedules utilizing the Internet Archive's Way Back Machine. Keynotes and non-workshop events were not included. Data for 2016 were taken from the on-line schedule on 4/22/15.

The Gender of PTHC

A Statistical Analysis of Why Trans Women Are Frustrated with PTHC's Programming

When the 2015 PTHC schedule was first released on-line, the number of workshops specifically for trans men that didn't involve surgery and hormones outnumbered those for trans women 3:1. Frustration over the continued dominance of trans men at PTHC led to the development of a trans women-only conference that was held simultaneously with that year's PTHC.

#10/10

Workshop data taken from a combination of paper schedules and on-line schedules utilizing the Internet Archive's Way Back Machine. Keynotes and non-workshop events were not included. Data for 2016 were taken from the on-line schedule on 4/22/15.
